What's Happening?

What a blessed first half of the school year we have had here at Kingdom Kids! I am so proud of the children and their diligent work in the classroom. Your hard work as their parent does not go unnoticed either – so THANK YOU for the time that you spend at home reinforcing what they are learning in the classroom.

I have been pleasantly surprised by the “warm winter” we have been experiencing thus far here in MN! That being said, I know this will not keep up throughout the winter months. You may have noticed that the “outdoor/indoor” recess sign is missing from the table outside of my room. This is because it is not necessarily going to be accurate when you drop your child off at school. The weather changes and we check the weather about 10 minutes before we are scheduled for recess. During these winter months, please always leave their snow gear with them so that it is available in case the temperature is high enough to go outside.
