NOVEMBER 2011

from our director.....

Dear Parents,

Thanksgiving is quickly approaching! We are very thankful for each of our students that enter our school each day.

Our teachers have been busy preparing for your child's parent/teacher conference. Please be sure to attend your child's conference. You will learn about your child's strengths, areas to grow in and their next steps in learning. We appreciate you making your child's conference a priority.

did you know?

If your child is home ill with something contagious (strep throat, pink eye, etc.), we need you to notify the KK office ASAP. We will then notify your child's class of the possible exposure.

reminder

School starts at 9:00am and 12:30pm.

Please call the office if you are not able to arrive on time or know that you will be late. This allows us to communicate that information to the teachers. The teachers are then able to start on time instead of delaying the start of class while waiting for those not yet here.

mother goose & math

We are adding a new component to our Mother Goose class. The children will use literature to explore math. Stories are a powerful way to introduce math to children. They bring math to life. Stories can help children learn how to use math skills and concepts to address their own real-life problems as they arise. At the same time, children are developing critical language development skills.

math skills:

graphing
sorting
shapes
patterning

literacy skills:

phonetic awareness
rhyming
beginning sounds
retelling/sequencing

dad n me—A BIG HIT!

Whoo-hoo! What a spectacular event! We hope you enjoyed this special time created just for Dads and their child. We want to extend a significant thank you to our Kingdom Kids parents who pitched in to help set up. They worked so hard behind the scenes to create a smooth and enjoyable event for everyone! Thanks also to Men's Fraternity for their support with the raffle. It was great to see the children interacting with their dad's and having such a fun time while playing the games. We enjoyed all the smiling faces on both dads and kids and hope to see them again next year!
